

Dear Friends,

As the summer draws to an end, we turn thoughts to our High Holy Days. It is time for reflecting on our lives during the past year and an opportunity to let our temple family know that we are thinking of them.

A beautiful *Women of Reform Judaism - YES Fund New Years Card* will reach the entire Congregation. This is an easy way to send High Holiday greetings and at the same time make a contribution to the many important programs and services that Sisterhood supports.

Through our purchase of these cards from the Women of Reform Judaism, our Sisterhood will be contributing to **The Youth, Education and Special Projects (YES) Fund** which provides:

- scholarships for Rabbinical School Students at Hebrew Union College-Jewish Institute of Religion as well as rabbinic students from other countries
- Support for our movement's high school and college youth programs
- Fund special projects for our sisterhood and sisterhoods in Israel

For \$15.00 you can include your name(s) and greetings for the New Year in this beautiful card.

Please send your check and the form below as soon as possible so that we may be sure your name(s) are listed as you wish. The DEADLINE is SEPTEMBER 10TH.
