March, 2004

Dear Fellow Congregant,

Shavu'ot celebrates the covenantal relationship with GOD. This year the Confirmation Class will conduct Services on May 29, celebrating the completion of their tenth year of religious studies. This service will confirm their commitment to a Jewish life of study and the practice of Mitzvot.

The Congregation Albert Sisterhood is again providing you with the opportunity of sending a congratulatory message to these students in the form of a personalized UNIONGRAM.

Each UNIONGRAM represents a contribution to the YES Fund of the Women for Reform Judaism which provides Rabbinic and Cantorial scholarships and supports educational and Youth Activity and camp programs on a national level.

Please complete the form on the reverse and return it to Joyce Friedman no later than May 10, 2004. (ASAP would be greatly appreciated in order to expedite the process. Thank you.)

We know that our Confirmation students will be very pleased to receive your good wishes.

They have studied hard to reach this important day in their lives.

Shalom,

Joyce Friedman
